We get to watch McGarrett, Danno, (Zulu as) Kono and (Kam Fong as) Chin Ho every night at 6:00 on local TV. McGarrett and Five-O trample on suspects' rights, shoot the bad guys from 500 yards with their snub-nosed .38s, crush all opposition, enforce the laws of the sovereign state of Hawaii and generally kick ass 24/7, 365 days a year.

This has got to be the best opening sequence ever for any show in the history of TV. Jack Lord standing in his penthouse suite in the Ilikai is 'no ka oi.' He's ready to pursue Wo Fat and his evil commie minions to the hell and back.
